

BMB Transportation Group

December 2006 Newsletter

It was a very good 2006 for trucking industry. Many changes in leadership including the selection of John H. Hill, the new chief of FMCSA and recently appointed Secretary of Transportation Mary Peters. Peters, who was nominated by President Bush Sept. 5, was confirmed by the Senate Sept. 30th. Peters was officially sworn as secretary Oct. 4. BMB Newsletters has covered a wide range of topics (Ethanol, Diesel, Brakes, Auxiliary Power Units, Tractor-Trailer Crashing, etc). Ultra-Low Sulfur Diesel effective Oct. 1, 2006. 2007 will focus on safety issues facing truckers DOT/FMCSA. The link for the General Motoring Public will be exciting and informative.
