## The Recovery of 2010

Warren Buffett tells CNBC his \$26 billion acquisition of Burlington Northern Santa Fe is a “**bet on the country**”. Buffett expects the U.S. economy will become stronger over the next five years.

The outlook for CDL holders comes with challenges on all fronts. The question for 2010 for small motor carriers, hauling rates, fuel cost volatility are the concerns. Remember 2010 will be a strategy for success by focusing on the future, DON'T LOOK BACK.

Few things are as critical to our economy than our network of roads, bridges, and tunnels Use by truckers. 2010 will be a critical year for those improvements.
