Gulf Oil Spill & Trucking

The Gulf oil spill is not likely to stop the economic growth in the trucking industry. The spill will affect the environment and damage regional economies for years. In the recovery efforts the oil spill will be assessed and realized, trucking will play a significant role in the recovery.

Consumer purchasing is rebounding; it means more freight is being ordered to keep consumer products on shelves.

BMB Transport Group supports “Jason Law” bills HR2156 and S971.
