Black Box Mandate

FMCSA Federal Motor Carrier Safety Administration electronic on-board recorder rule with full compliance mandated by June 4, 2012. Electronic on-board recorder rule was published in the Federal Register on April 5, 2010. The final rule states that motor carriers with a violation rate equal to or greater than 10 percent of the records reviewed during one compliance review will be ordered to implement the use of approved EOBRs.

For more information about motor carriers, hazmat transporters, hours-of-service, go to:
